A report on observation of International Women’s Day 2022

1. CROSSING ARMS IN SOLIDARITY – A SOCIAL MEDIA CAMPAIGN

The Women Cell of HATIM in observation of the International Women’s Day 2022 on 8th March 2022 initiated a social media campaign where the college community members as well outsiders were invited to strike the IWD 2022 pose and share it on various social media platforms using a *hashtag #BreakTheBias* to encourage further people to commit to helping forge an inclusive world. These pictures along with the hashtags are posted and shared through the college official Instagram page. The campaign was seen to be a huge success as numerous numbers of participation were received; the participants hence are believed to actively call out gender bias, discrimination and stereotyping each time they see it in the future.

2. PARTICIPATION IN BCTA WOMEN'S WING SUMMIT

On behalf of the Baptist Church of Mizoram, the **Assistant Convener of the college Women Cell – Ms. C.Lalrintluangi** had attended a 2 Days Seminar organized by Baptist Church Trust Association (BCTA) Women's Wing held on the 8th and 9th March, 2022 at **William Carey Hall of Celebration, New Delhi** on the occasion of International Women's Day 2022. The participants of this summit witnessed the inauguration of the BCTA SANKALP – Women's Alliance for Action. Our assistant convener had discussed with the other executive members as to how SANKALP would be inculcated in Mizoram region and how the Women Cell of the college could collaborate and work together to generate awareness on burning social issues and ensure holistic education of students.
