Principal's Message

I am delighted to welcome the new academic session of Higher and Technical Institute, Mizoram through the 2022 prospectus. As a member of our vibrant community, the coming years promise exciting experiences for you. At HATIM, you will widen your horizons, experience leadership opportunities, form life-long friendships, build and gain practical and real-world learning experiences, and, of course, have fun.

Given our current predicament caused by the Covid-19 pandemic, HATIM Campus may take on a new appearance. However, we will work together to maintain health and safety standards, while sustaining the academic excellence and personalized attention that is synonymous with a HATIM education.

I would like to encourage you to consider how you will progress each day toward getting your certificate or degree and graduating. I would strongly advise you to make use of the resources we provide to help you reach your full potential, whether on-site or online.

Tutoring, mentoring, workshops, a practical approach to learning, and other activities are available to keep you on track to graduation and career success. You will learn about time management, note taking, and test preparation, among many other things.

You will have access to numerous academic resources through the college Library; the lush green campus will keep you closer to Mother Nature, while its remoteness will offer you with a tranquil atmosphere, which is essential for your academic pursuits.

Sincerely,

VUANHSANGA VANCHHAWNG

ABOUT

HATIM

Established in June, 2007, the Higher and Technical Institute, Mizoram ("HATIM" or the "Institute" or the "College") is the first **Christian Residential Co-ed College** in Mizoram.
